- The trash can allows to delete the payer, it pops a confirmation modal

Members and invitation page

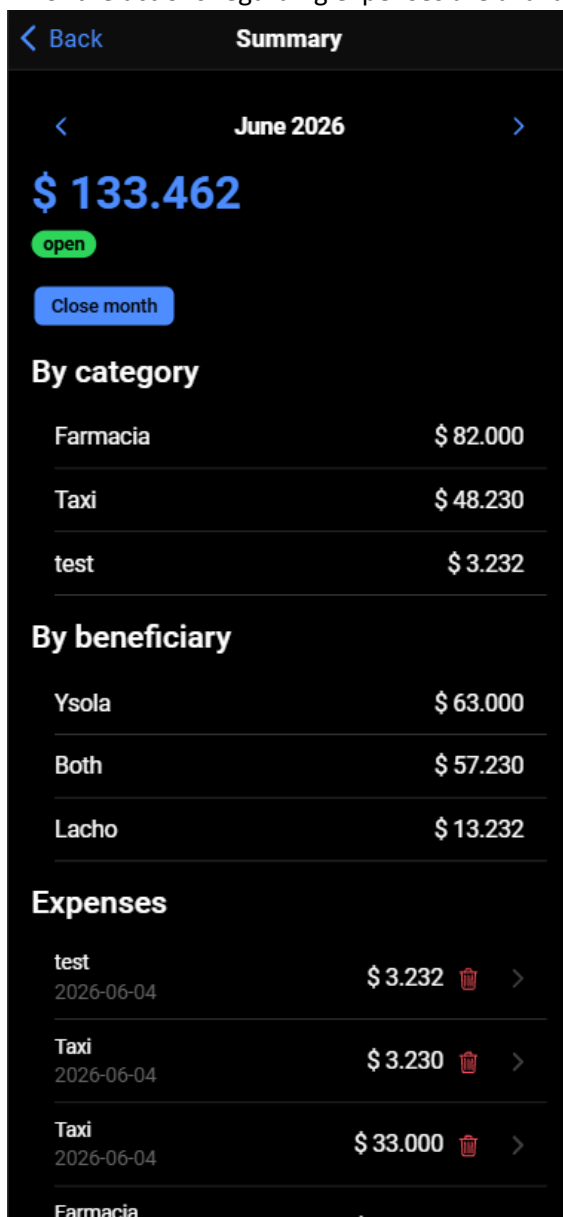

- Email input is to put the email
- Guest/Admin pills is to select the role
- Generate invite link is a button that give you a link that you can copy or share, then that user have to create an account if it doesn't have it, then go to the link and will allow to be part of that room
- The Current members list it only allows to delete a member when you click the trash bin

The screenshot shows a mobile app interface with a dark theme. At the top, there is a navigation bar with a blue back arrow and the text "Back" on the left, and the title "Members" in the center. Below the navigation bar, the section "Invite someone" is displayed. It contains an "Email" input field, two role selection pills labeled "Guest" and "Admin" (the "Admin" pill is currently selected), and a large blue button labeled "Generate invite link". Below this section, the "Current members" section is shown. It lists two members: "Carlos" with email "carlosanez85@gmail.com" and role "admin" (highlighted in blue), and "Pao" with email "scysor666@gmail.com" and role "guest" (highlighted in grey). Each member entry has a red trash bin icon to its right for deletion.

Current members		
Carlos	carlosanez85@gmail.com	admin
Pao	scysor666@gmail.com	guest
